- Admission for the 'conditionally selected' candidates to this program depends on approval from the University of Dhaka. 'Merit List-2' candidates are thus requested to wait for further instructions from the BIDS Graduate School of Economics (BGSE). In case BGSE fails to get approval from the University of Dhaka to admit more students (in addition to the current 25), this list will be treated as the *waiting list-1*, and priority will be given to this list in admitting students from waiting list candidates.
